

HEALTH SCIENCE - AS (2114)

Division: Nursing and Health Sciences Division

Code	Title	Credits
General Education Requirements (36 Credits)		
<i>Written & Oral Communication (6)</i>		
ENG 101	College Composition I	3
ENG 102	College Composition II	3
<i>Quantitative/Scientific Knowledge, Skills & Reasoning (12)</i>		
BIO 121	Anatomy & Physiology I	4
BIO 122	Anatomy and Physiology II	4
Select one of the following:		
MTH 100, MTH 101, MTH 113, MTH 119, MTH 120, MTH 121, MTH 122		4
<i>Technological Competency (3)</i>		
CIS 131	Micro Computers in Business	3
<i>Society & Human Behavior (6)</i>		
Select two of the following:		
ANT 101, ANT 105, ECO 101, ECO 102, POL 104, PSY 101, PSY 102, PSY 219, SOC 101, SOC 108, SOC 219		6
<i>Humanistic Perspective (6)</i>		
Select any English Literature course		3
Select one of the following courses:		
ART 100, ART 101, ART 102, CIN 101, CIN 103, MUS 100, MUS 109, MUS 117		3
<i>Historical Perspective (3)</i>		
Select any History (HST) course		3
Major Requirements (24 Credits)		
Select a maximum of 24 credits from any accredited or state-licensed post-secondary health science training program ¹		
Additional Course Requirements		
Select additional credits from the following to total 24 credits: ²		
ENG 109, HSC 101, HSC 102, HSC 109, BIO 103, BIO 104, BIO 211		
BIO 241, BIO 251, CHM 101, CHM 103, CHM 104, SOC 201, SOC 207		
Total Credits		60

1

College-level credit will be transferred as a block; technical school or other certificate credits will be weighted and then awarded as a block. Credits may be awarded from professional programs in fields such as: Dental Assisting, Dental Hygiene, Dietary Management, LPN, Massage Therapy, Military Medic, Nursing, Physical Therapist Assistant, Radiography, Respiratory Care, Ultrasound, Vision Care Technology and/or any accredited or state-licensed post-high school health science training program, which is licensed or certified by examination.

2

If the Major Course Requirement credits awarded from a professional education program total less than 24 credits, the balance may be chosen from the list, which are all 3- or 4-credit courses. Keep in mind that the number of credits of Additional Course Requirements plus the number of credits awarded toward Major Course Requirement credits must total 24 credits.

- *ECC students who completed college-level course work in Dental Assisting, Dental Hygiene, Dietary Manager, Massage Therapy, LPN,*

Nursing, Physical Therapist Assistant, Radiography, Respiratory Care, and Vision Care Technology programs but who did not complete a specific degree may apply their professional credits toward the Health Science degree.

- *Students may not earn two degrees in the same discipline.*
- *The minimum passing grade for all program-related courses is "C". If you earn a grade below "C", you need to repeat that course.*
- *Please meet with a Division of Health Sciences academic advisor (faculty member) to receive evaluation of professional education program credits. (Up to 24 credits may be awarded toward the Major Course Requirements.)*

Notes:

1. For an explanation of why General Education courses are included in this Program, please refer to the Section on General Education for an explanation of its Purpose and Requirements.
2. This plan assumes the student is eligible to enroll in College Level Courses (designated as 100 +, e.g., ENG 101 College Composition I, HST 101 World Civilization I, MTH 100 Intro. to College Mathematics). Placement results will determine College Level Readiness in English and Mathematics.
