

NURSING AND HEALTH SCIENCES ADMISSION

Admission to the following specialized programs is subject to additional criteria:

Health Science

Licensed Practical Nursing

Nursing

Physical Therapist Assistant

Radiography

Vision Care Technology

Applicants to Health Sciences and Nursing programs must meet special admissions requirements. Students are admitted to programs only on approval of program admission committees and after satisfactorily completing specified pre-major requirements. For information on requirements, refer to the Degrees and Certificate Programs section of this catalog; use the Academic Programs Index to locate the individual programs to find more detailed information.
