

AUDITING A COURSE

Auditing a course provides students with the opportunity to explore academic areas of Interest. Students must declare intent to audit a class by the specified deadline date. Once a student declares intent to audit, the audit grade cannot be changed to a letter grade.

No credit is granted for audited courses and grade of “Audit” cannot be used to fulfill course prerequisites or graduation requirements. Financial aid funds cannot cover Audits. After declaring intent to audit, results cannot be changed to letter grades.
