

NON-MATRICULATING STUDENTS

1. Apply to the college by completing and submitting an application for admission.
2. Report to the academic Division Chair where the course is being offered.
3. Non-matriculated students must meet and be able to verify course prerequisites.
4. Take the completed, signed advisement/registration form to a designated registration site or be registered in the division/department.
5. Make payment to the Bursar's Office.
