

YOUTH PROGRAMS

Youth Programs make a difference in the lives of many children from diverse economic and cultural backgrounds. The **Saturday Youth Program** provides academic and personal enrichment courses for elementary through high school children for 10 weeks. The program is designed to promote a positive atmosphere for learning, which facilitates improvement in student behavior and achievement. The **Summer Youth Program** operates for 6 weeks during July and August for ages 6-13 providing academic instruction, recreation, and cultural indoor and outdoor activities, through a fun-filled academic program that is challenging, creative and non-competitive.
