

# TUITION PAYMENT MAIL DROP SYSTEM

---

If you are paying your bill by money order, cashier check, certified check, or personal check, it is not necessary to wait on line. You can mail your full payment to the Bursar's Office or use the Tuition payment mail drop system available for your convenience in Room 4121 (Bursar's Office) at the Main Campus and at the Bursar's Office window at the West Essex Branch Campus. Simply follow the instructions imprinted on the envelopes provided to ensure proper payment. If any of your previous personal checks were returned to the College for insufficient funds, you can still use the tuition payment mail drop system, but you must pay by money order, cashier check, or certified check.
