

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) provides representation in the planning, execution, and evaluations affecting the ECC student body, serves as a means whereby student opinions, views, suggestions and aspirations may be properly discussed and acted upon, and provides guidance and financial assistance to student clubs and organizations. The SGA Executive Board consists of matriculated students who have earned at least a 3.0 GPA. It functions under a constitution approved by the student body with officers elected each year. The SGA is located on the second level of the Clara E. Dasher Student Center.
